Firka Development Department.

G.O.Ms.No.531. Dated the 16th June 1950.

O R D E R:

It has been suggested that the Regional Development Officers and Tahsildars of districts should also be made responsible for the work relating to the amelioration of the conditions of harijans, and that they should make suggestions for the provision of pathways, opening of schools etc. which are found to be necessary for the Harijans during their inspection tours. The Collectors of the districts are accordingly requested to instruct the Regional Development Officers and Tahsildars to bring to their notice, cases of provision of pathways, house-sites, schools etc. in cheries which need attention by the officers of Harijan Welfare Department. On receipt of such information, the Collectors should refer the matter to the District Welfare Officers for submission of detailed proposals, and take prompt action in the matter.
